BY ENTERING INTO THIS AGREEMENT, YOU EXPRESSLY ACKNOWLEDGE THAT YOU HAVE READ AND UNDERSTAND ALL OF THE TERMS OF THIS AGREEMENT AND HAVE TAKEN TIME TO CONSIDER THE CONSEQUENCES OF THIS IMPORTANT DECISION.

You represent that you are at least 18 years of age, or the age of legal majority in your jurisdiction (if different than 18), and a U.S. resident. In the event you violate any of the terms or conditions in this Agreement, we may terminate your access to and use of a Digital Wallet.

transactions where that Digital Wallet is accepted. A Digital Wallet may not be accepted at all places where your Card is accepted, and your Card in a Digital Wallet may not be eligible to be used for all the features and functionalities of that Digital Wallet.

Digital Wallets can only be used with Supported Devices determined by the Digital Wallet Provider for that Digital Wallet.

II. Enrollment

Before you are able to use your Card in a Digital Wallet, you must first add your Card to a Digital Wallet. To add your Card to a Digital Wallet, you must first register your Card with that Digital Wallet by linking your Card to that Digital Wallet. By doing this, you agree to allow us to share your Card information with the Digital Wallet Provider. You will be required to complete this process for each Digital Wallet and for each Card. We may require you to take additional steps to authenticate yourself before your Card is added to a Digital Wallet.

You agree that the digital version of your Card in a Digital Wallet may, in our sole discretion, be automatically updated or upgraded without notice to you.

If your physical plastic Card is lost or stolen and your Supported Device is not lost or stolen, you may be required to add the new physical plastic Card to a Digital Wallet. If your Supported Device is lost or stolen, you will need to add your Card to a Digital Wallet on a new Supported Device. We do not recommend, endorse or make any representation or warranty of any kind regarding the performance or operation of your Supported Device or the Digital Wallet. You are responsible for the Supported Device, including its selection, and for all issues relating to the operation, performance and costs associated with such Supported Device. You authorize your wireless operator and/or Bank to disclose your mobile number, name, address, email, network status, customer type, customer role, billing type, account activation date and device make and model, where provided, in accordance with your mobile operator's or our privacy policy, to allow verification of your identity and for fraud prevention purposes.

By selecting an added Card and placing your Supported Device near a merchant's contactless-enabled point-of-sale terminal or reader, or by using a Card for an in-app or a website purchase, you are authorizing the payment for the applicable merchant's products or services with that Card in the Digital Wallet.

The Digital Wallet may display transaction history on your Supported Device. The transaction history does not reflect any post-authorization activities (e.g., settlement, foreign currency exchange, chargebacks, etc.). The details for your transaction history in connection with that Digital Wallet may not match the actual transaction details, including the amount that ultimately clears, settles and posts to your Card account.

All transactions initiated by you using the Card or Digital Wallet must comply with all federal, state and local laws, rules and regulations applicable to you, including any applicable tax laws and

Otherwise, any transaction using such Supported Device by a person to whom you provide your user ID, PIN or password will not be an unauthorized transaction for the purposes of determining liability. If your PIN, biometric authentication or other passcode is compromised or your Card has been used through a Digital Wallet without your permission, or you have a Supported Device and it has been lost or stolen, you must notify us immediately. If you fail to notify us without delay, you may be liable for part or all of the losses in connection with any unauthorized use of your Card in connection with that Digital Wallet. You should notify us by calling the number on the back of your Card or in the app you use to manage your Card.

We will not be liable for any loss or damage as a result of any interaction between you and a merchant relating to Promotions.
